

Apron & Pot Holder with Nostalgic Flavor Initials.

Photos and instructions for this charming kitchen apron and matching potholder have been emailed to us by Bobbie B. from Memphis. Bobbie, thank you for the awesome project!

Bobbie created these items from mono color lavender cotton, flowered cotton for the trimming and **Nostalgic Flavor initials**. Very lovely and simple project. Can be a cute and VERY personal gift!
The potholder includes some batting inside for hands protection.

Tips:

1. If the color palette is changed from spring colors to other seasonal colors, such set may be given as small Christmas or Halloween present. The current palette is simply perfect for Easter. If you'd like to see traditional colors for each season - check out our seasonal thread kits:

2. A set like this should better be embroidered with polyester thread, because poly is colorfast and an apron is likely to be laundered often.
